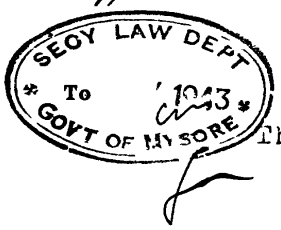
Encls

BANGALORE,
Dated 61-43-11

Date 6th November 1943



The Secretary to Government,
Law Department,
Bangalore

Sir,

Supply of twenty tons of sulphate of alumina to the Tumkur Water Works

With reference to your letter No L 2988/ 1 61-43-4 dated 7-9-43 enquiring why previous sanction of Government was not obtained for the purchase of five tons of sulphate of alumina, I have the honor to state that the urgent requirement of 5 tons out of the 20 tons was ordered for in the interest of the work I therefore request you to be so good as to obtain and convey sanction of Government to the purchase of twenty tons of sulphate of alumina as already requested in this office letter No C 47-6 dated 26-8- 3

The Sanitary Engineer is this day requested to compile in future the annual requirements of all the Water Works in the Bureau of Sanitary Engineering so that the annual requirements may be kept in stock and sanction of Government could be obtained for the purchase of the annual requirements of all the Water Works

I have the honour to be,
Sir,
Your most obedient servant,

T. Cullumeg
Director of Public Health
